

# **Plumbing & POWTS Continuing Education**

## **Department of Safety and Professional Services**

2014-2015

### **Department of Safety and Professional Services Website Update**

Please go to: <http://dsps.wi.gov> to access the department's website. The new layout makes it easier for you to find the areas that you're searching for.

Within the website you'll be able to check under the license/permits/registrations heading for:

- How to renew online
- Hours of credit needed to renew your license
- What courses are offered for credit

To save time, see the website first for the latest information available.

### **Continuing Education Cycle for Hours of Credit has Changed**

**See: SPS 305.08(3)(b)**

Continuing Education to be fulfilled by March 31 to renew license.

### **Administrative Code**

Copies of the codes are available on our website or can be ordered by contacting Document Sales at 800-362-7253.

### **Questions**

Contact the trades credentialing unit at 608-266-2112 or via email at [dspsbcredentiaing@wi.gov](mailto:dspsbcredentiaing@wi.gov) with questions on renewal or hours of credit.

If you have any questions on registering for the classes, please email: [DspsSbPowtsTech@wi.gov](mailto:DspsSbPowtsTech@wi.gov) for POWTS and [DspsSbPlbgTech@wi.gov](mailto:DspsSbPlbgTech@wi.gov) for Plumbing

**Face to face training sessions can be taken more than once for credit. Online courses can only be taken once during the 1, 2, or 4-year license term to receive credit.**

### **Industry Services Online Continuing Education Courses**

Unable to attend the classes in your area? There will be online courses available in the near future that have been recorded in the past that you can watch, complete the questions at the end and mail to the division to receive credit: Future Courses may include:

#### **Sizing the Building Water Supply System**

*3 hours of credit for MP, MPRA, MPRS, JP, JPRA, JPRS, Comm PI, UDC PI and UC*

#### **In Depth in Situ Soils**

*3 hours of credit for MP, MPRS, JP, JPRS, POWTS Maintainer, CST, POWTS Insp and Comm PI*

#### **S&B Drain and Vent**

*3 hours of credit for MP, JP, UDC PI and Comm PI*

More information and the link to view these courses will be found on the department's website located at:

<http://dsps.wi.gov/Default.aspx?Page=f22b3336-5fb8-4120-94b2-9e51d23185ef>

### **Industry Services Correspondence Courses**

Industry Services will no longer provide correspondence courses for continuing education credit.

See <http://dsps.wi.gov/Default.aspx?Page=f22b3336-5fb8-4120-94b2-9e51d23185ef> for other providers of Plumbing Continuing Education Courses including Correspondence Courses

## General Plumbing Classroom Courses

### **Cross Connection Control, Course # 16002**

#### **Fee \$30**

*Three hours of credit for MP, MPRA, JP, JPRA, UDC PI, CCCT and Comm PI*

This continuing education course will cover cross connection control for the potable and non-potable water systems. The topic will include design and the proper installation of cross connection devices. Emphasis will be on new and emerging devices/products and the options for proper protection of the drinking water systems.

### **Water Reuse, Course #16006**

#### **Fee \$30**

*Three hours credit for MP, MPRS, MPRA, JP, JPRS, JPRA, UDC PI and Comm PI*

This continuing education course will cover the design for water reuse and submittals to the department. The different types of reuse systems, including clearwater, stormwater, graywater and blackwater.

### **Storm, Course #16007**

#### **Fee \$30**

*Three hours of credit for MP, JP, MPRS, JPRS, UC, and Comm PI.*

This continuing education course will cover storm system design and submittals to the department. The different types of storm systems including pretreatment, detention, infiltration and infiltration design.

### **5 Topics, Course # 16003**

#### **Fee \$30**

*Three hours of credit for MP, JP, UDC PI and Comm PI*

This continuing education course will cover five specific plumbing topics. The topic will include design and installation of air admittance valves, local and indirect waste, combination drain and vent system, vending machine installations and identification of piping systems.

## POWTS Classroom Courses

### **Effluent Distribution Techniques for Specialized Applications, Course # 15541**

#### **Fee \$30**

*Three hours of credit for MP, JP, MPRS, JPRS, POWTS Inspector, POWTS Maintainer, and Comm PI.*

This course will explore difficult sites where the standard approach of calculation by computer file will not work. Topics on creative distribution system design techniques and solutions (both spatial and temporal) for problem sites.

### **Soil Testing and Fitting the System to the Site, Fee \$30, Course # 15542**

*Three hours of credit for MP, JP, MPRS, JPRS, POWTS Inspector, POWTS Maintainer, and Comm PI.*

Topics include techniques for collecting accurate site data, transferring field data to maps, depicting site topography and other helpful information to include. Also, siting systems on difficult sites/slopes will be discussed.

### **Plan Design and Submittal Course # TBD**

#### **Fee \$30**

*Three hours of credit for MP, MPRS, JP, JPRS, POWTS Maintainer, CST, POWTS Insp and Comm PI*

This course will lead participants through the step by step process for designing common component manual systems. Also covered is an introduction to using the new standard plan pages and what is needed for a complete state plan submittal.

#### **\*\*\*NOTE: Bring the following items with you to this class:**

- Wis. Admin. Codes: SPS 383, SPS 384, SPS 385
- Component Manuals:
  - In-ground Soil Absorption Component Manual for POWTS / Version 2.0 / SBD-10705-P (N.01/01;R. 10/12)
  - At-Grade using Pressure Distribution Component Manual for POWTS / Version 2.0 / SBD-10854-P (R.01/12)
  - Pressure Distribution Component Manual for POWTS / Version 2.0 / SBD-10706-P (R.10/12)
- Drafting items: Calculator, Engineer's Scale, Drawing Pencil, Drawing Triangle (Optional)

### **Special Reports, Course # TBD**

#### **Fee \$30**

*Three hours of credit for MP, MPRS, JP, JPRS, POWTS Maintainer, CST, POWTS Insp and Comm PI*

Not every site's features are easily identified and applied to the code. This course explores the group of special procedures outlined in SPS 385.60 which help the CST explain water movement and other soil characteristics as they pertain to POWTS.

# Registration Form

## Plumbing & POWTS Continuing Education-Fiscal #7632

Preregistration two weeks in advance is required for all classes.  
To register for the classes, please complete this page and make a copy. **Keep the original** for your records.

**Mail** registration form for the classes to the address below:

DSPS  
Plumbing & POWTS Continuing Education  
PO Box 2658  
Madison, WI 53701-2658

### November 2014 Stevens Point

Holiday Inn Conference Center  
1001 Amber Avenue

Tuesday, November 18, 2014

\_\_\_\_\_ 8:30-11:30AM - Soil Testing and Fitting the System/Site  
\_\_\_\_\_ 12:30-3:30PM – Effluent Distribution Techniques

Wednesday, November 19, 2014

\_\_\_\_\_ 8:30-11:30AM – 5 Plumbing Topics,  
\_\_\_\_\_ 12:30-3:30PM – Water Reuse

**REGISTRATION DUE BY: NOVEMBER 4<sup>TH</sup>.**

### December 2014 Pewaukee

Country Springs Hotel  
2810 Golf Road

Tuesday, December 16, 2014

\_\_\_\_\_ 8:30-11:30AM - Soil Testing and Fitting the System/Site  
\_\_\_\_\_ 12:30-3:30PM – Effluent Distribution Techniques

Wednesday, December 17, 2014

\_\_\_\_\_ 8:30-11:30AM – 5 Plumbing Topics,  
\_\_\_\_\_ 12:30-3:30PM – Water Reuse

Thursday, December 18, 2014

\_\_\_\_\_ 8:30-11:30AM Cross Connection Control,  
\_\_\_\_\_ 12:30-3:30PM - Storm

**REGISTRATION DUE BY: DECEMBER 2<sup>ND</sup>.**

### February 2015 Eau Claire

Plaza Hotel and Suites  
1202 West Clairemont Ave

Tuesday, February 3, 2015

\_\_\_\_\_ 8:30-11:30AM - Plan Design and Submittal  
\_\_\_\_\_ 12:30-3:30PM – Special Reports

Wednesday, February 4, 2015

\_\_\_\_\_ 8:30-11:30AM - 5 Plumbing Topics,  
\_\_\_\_\_ 12:30-3:30PM – Water Reuse

**REGISTRATION DUE BY: JANUARY 20<sup>TH</sup>.**

### February 2015 Mineral Point

Quality Inn  
1345 Business Park Road

Wednesday, February 25, 2015

\_\_\_\_\_ 8:30-11:30AM - Plan Design and Submittal
